CHAPEL OF THE HOLY CROSS
SEDONA, ARIZONA

It's late to wish you a "Happy Birthday" but I'm sending wishes anyway. A friend, Marian Jenkins, and I have been visiting a friend here in Sedona. This church in this marvelous setting should certainly help one feel reverent. We planned on leaving today for Grand Canyon but Snow clouds (rain here) have settled over so we are waiting a day. I read your letter when I was up at Mom's a couple weeks ago. You had a big birthday & Mary
